## BOOK SYNOPSIS

The Redwood Pack has protected their own for centuries, but when a rival Pack of shifters summons a demon to alter the climate of the entire battle and their fates, the Redwoods will have to come together or make the greatest sacrifice of all. *Alpha's Path - Redwood Pack Book 1* Melanie wasn't prepared to fall for her blind date, but when the gorgeous, green-eyed man claims she's his mate and says that he's a wolf shifter, she thinks she's gone off the deep end. She's analytical by nature, but it might just be something more intangible—the paranormal—that changes her life. Kade is the Heir of the Redwood Pack and eldest son of the Alpha. When he sees Melanie for the first time, he knows she's it for him. However, not only does he have to convince her that she's his, he also has to deal with an unwelcome rival that no one was prepared for. *A Taste for a Mate - Redwood Pack Book 2* When Beta of the Redwood Pack, Jasper, finally takes a step forward to claim the one woman who could be his, he isn't prepared for the Centrals to take notice. Now he must fight to protect her, as well as show her that wolves can be gentle in a world of teeth and claws. Jasper and Willow are drawn together despite everything that works against them, but it's Willow who must show the world who she really is and save them both. *Trinity Bound - Redwood Pack Book 3* Reed is the only son of the Alpha without purpose, but when he sacrifices himself to save his brother's mate, he'll find more than he bargained for. Hannah is an earth witch and knows how to protect herself from danger, but she might not know how to do the same for her heart when she meets two men who could be hers. Josh knew the things that went bump in the night were real, but he wasn't prepared for the way a wolf and a witch could lay claim to his heart, as well as his soul. The Centrals are ready to take the next step in their war against the Redwoods, and it will take the three of them—together—to not only save their people but also trust themselves.
