## BOOK SYNOPSIS

Harry Houdini Marco had a difficult life when he was a normal, clumsy twelve-year-old—but growing wings made things even harder. Except for his unusual name, Harry Houdini Marco is unremarkable in every way. While his namesake was the greatest illusionist of all time, Harry can't even catch a ball. He is on the verge of a long, boring summer—and he is dreading every moment of it. Then he meets a mysterious traveling salesman named Mr. Mazzeck. But Mr. Mazzeck is more than a traveling salesman, he's a wizard—at least, he claims to be. Before he leaves town, Mr. Mazzeck gives Harry a bottle of magical oil, saying that the potion will give him wings. And to Harry's amazement, the oil works: He gets wings! Now he just has to figure out how to use them. This ebook features an extended biography of Zilpha Keatley Snyder.

**BLUE MAGIC VOLUME 1** - Are you looking for Ebook Blue Magic Volume 1 ? You will be glad to know that right now Blue Magic Volume 1 is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all.
