BOOK SYNOPSIS

Choosing which medical school to apply to is a decision that should not be taken lightly. It is important that you do your homework and consider carefully the many factors that differ between each institution. This comprehensive and insightful guide, written by medical students, for medical students, covers everything you need to know to enable you to select the best medical school for you. The book is designed to help school leavers, graduates and mature individuals in applying to medical school, as well as parents and teachers. The first part of the book covers what to expect from life at medical school and things to consider prior to applying. The second part then features chapters covering each individual UK Medical School. Each chapter is written by current medical students at the institution and is broken down into sections on the medical school, the university and the city finishing with the views of pre-clinical and clinical students.
