## **BOOK SYNOPSIS**

Comparative Health Systems: Global Perspectives explores the health systems of 17 countries through comparative study. Using a consistent framework, the chapters offer an overview of each country's history, geography, government, and economy, as well as a detailed analysis of the country's healthcare system facilities, workforce, technology, cost, quality, and access. Current and emerging issues are also explored. The book concludes with a look at the changing U.S. healthcare system and the global challenges and opportunities for health.
