## BOOK SYNOPSIS

In the best-selling original book, *Hot Rod Gallery: A Nostalgic Look at Hot Rodding's Golden Years: 1930-1960*, author and historian Pat Ganahl opened his archives and shared 192 pages and 350 photos of "some" of the most interesting and best photos of his collection. Filled with fascinating images of some of the coolest cars and builders, long-forgotten car clubs, and great shots of the dry lakes, nostalgia fans flocked to grab a piece of hot rodding history all in one convenient package. Well, if some is good, more is better, right?" In *Hot Rod Gallery II: More Great Photos and Stories from Hot Roddings Golden Years*, Ganahl dug deeper into his massive archive for even cooler and more never-before-seen photos in both color and black and white to provide another album of great hot rodding photos. He was pleasantly surprised to find that he had more great stuff in old files and folders, hidden away for decades. In this edition are even more dry lakes shots, post-war rods, lead sleds, show circuit cars, and a chapter on marvelous mills. He even dug a little deeper into the early 1960s. If you liked the first edition of *Hot Rod Gallery* by Pat Ganahl: *A Nostalgic Look at Hot Roddings Golden Years: 1930-1960*, you may like this one even more. Ganahl guarantees that it is filled with images you have never seen, and he offers his commentary and a lifetime of expertise in this selection of fantastic images from his expansive archive. You can spend hours looking at all the details and soaking in the history in these images, and we know you'll enjoy this book as much as you did the first.
