BOOK SYNOPSIS

Diana Henry spent 5 years travelling and eating in search of the tastiest dishes from the snowiest climes, resulting in an irresistible collection of dishes from North America and Northern Europe. This unique collection of recipes celebrates some of the worlds most overlooked cuisines by using produce that can be found on our own doorsteps. There are potato and cheese dishes from Italys skiing slopes, pastries from the coffee houses of Vienna and Budapest, and little appetizers that have been eaten at Russian celebrations since the days of the Tsar. These recipes will bring warmth to your heart as well as your home.
