BOOK SYNOPSIS

While The Little Red Book interprets the Twelve Steps, the Guide gives newcomers to AA the structure needed to live them. Designed as an aid for the study of the book, Alcoholics Anonymous, The Little Red Book contains many helpful topics for discussion meetings. Drawing from the practical experience of alcoholics who found peace of mind and contented sobriety by following a way of spiritual life set forth in Alcoholics Anonymous, The Little Red Book can help members quickly develop an acceptable 24-hour schedule of AA living. Based on the many past study guide formats and beginner classes for The Little Red Book and modeled after Twelve Step instruction programs offered at AA meetings, this new study guide provides a solid and comprehensive study structure for men and women in AA Twelve Step groups and for individuals studying The Little Red Book on their own. While The Little Red Book interprets the Twelve Steps, the Guide gives newcomers to AA the structure needed to live them.
